Homeless Children and Youth Plan

DEFINITIONS:

The term "homeless students" means individuals who lack a fixed, regular, and adequate nighttime residence and includes:

- students who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative, adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement;

- students who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings;
- students who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
- migratory students who qualify as homeless because the children are living in circumstances described above.

The term 'school of origin' means the school that the student attended when permanently housed or the school in which the student was last enrolled.

The term 'unaccompanied youth' includes a youth not in the physical custody of a parent or guardian.

LIAISON FOR HOMELESS STUDENTS:

The Homeless Liaison will coordinate activities and programs in the best interest of homeless students that will include but not be limited to establishment procedures to:

- continue the student's education in the school of origin for the duration of homelessness;
 - in any case in which a family becomes homeless between academic years or during an academic year; or
 - for the remainder of the academic year, if the student becomes permanently housed during an academic year
- enroll the student in any public school that non-homeless students who live in the attendance area in which the student is actually living are eligible to attend;
- coordinate and inform parents of transportation to and from the school, if feasible, using the school transportation system.
- ensure that all staff are trained regarding homelessness.
- ensure that enrollment disputes are mediated in accordance with the law.
- inform parents and guardians of educational and related opportunities available to their children.

BEST INTEREST OF THE HOMELESS STUDENT

- in the case of an unaccompanied youth, the liaison for homeless students shall assist in placement or enrollment decisions, considering the views of such unaccompanied youth, and providing notice to such student of the right to appeal.

The enrolling school shall immediately contact the school last attended by the student to obtain relevant academic and other records.

If the student needs to obtain immunizations, or immunization or medical records, the enrolling school shall immediately refer the parent or guardian of the student to the liaison for homeless students, who shall assist in obtaining necessary immunization, or immunization or medical records.

SERVICES AVAILABLE:

- Title I services regardless of location of enrollment;
- referrals to local preschool programs for siblings
- referrals to medical, dental, and mental health providers
- transportation to/from school of origin if feasible and in the "best interest of the student"
