## On-site Opportunity

In accordance with the Arizona Governor's Executive Order 2020-51, beginning August 10, 2020, Kingman Academy of Learning Schools will provide a safe space for students to learn. This may include, but is not limited to, students who do not have technology, broadband internet, or proper adult supervision in their home to support distance learning and the Kingman Academy of Learning Remote Learning Plan.

This opportunity will be provided on school days in accordance with the school calendar. Contact your school for further information on how this in-person learning opportunity will look on each campus. Direct instruction will not be provided during this opportunity.

Lunch will not be available for students.

Students are required to complete the same schoolwork as their peers who are distance learning off campus. Students will be required to wear a face covering, practice proper social distancing, will be health screened upon arrival to campus, and will be immediately sent home if they are exhibiting any symptoms of COVID-19. **Health and welfare starts at home.** Please do not send your children to school if they are exhibiting any symptoms of COVID-19.

This policy will remain in effect while students are distance learning.
