Re: Pay to Participate fee

Beginning in the 2020 – 2021 school year there will be major changes to our Pay to Participate fee. The \$300 fee per sport will be going away with two exceptions:

Football - \$100 fee – covers the refurbishment of helmets and shoulder pads

eSports (newly approved for 2020 – 2021) – Fee (TBD) Covers the cost of a game license

Sports teams will still be holding fundraisers to help offset some equipment costs and tournament fees, but our hope is that by removing the overall fee we are able to remove some of the possible barriers for participation.

This is an endeavor that the school wishes to take on in order to provide as many students as possible the opportunity to participate in extracurricular activities while in high school.

We will, of course, continue to encourage tax credits for any activity you wish to support.
