**Arizona's New Income Tax Credit for Public Schools Provides An Opportunity to Reduce Your State Income Taxes and Make a Direct Donation to Kingman Academy Of Learning**

A.R.S. § 43-1089.01 provides a state income tax credit, for taxable years beginning on January 1, 1998, not to exceed \$400 per couple, per year. What does this mean to you? Your family can help KAOL by donating up to \$400 to extra curricular activities and obtain a dollar for dollar decrease in your Arizona State Income Tax liability. Even if you don't have a child in school, you can take advantage of this tax credit opportunity.

For example: If you owe \$500 in State income tax for a particular tax year and you make a \$400 donation to KAOL, the State of Arizona subtracts the \$400 from your taxes and you now owe \$100. This new law basically allows you to designate where your tax dollars will go. Hopefully, you'll choose us!

**A couple wishing to make a tax credit donation is limited to \$400 for the couple. If the couple files separate income taxes they would be entitled to up to \$200 each for a total of up to \$400 for the couple. Donations by corporations were not included in this legislation.**
