Senior Bulletin

October

- Have you signed up for a SAT or ACT test yet? You probably should meet one of the deadlines below so you can get your results back by December.
- Do you know that you are eligible for many different private (alumni funded) scholarships?
 - Check most college websites and search for private scholarships.
 - Many scholarships are offered depending on your degree path.
- The Questbridge Scholarship Program application is available. Come see Mr. S for information about low income scholarships to attend an Ivy League school.
- Seniors should begin filling out college applications.
 - Make sure you apply to more than one school.
 - Most schools have an application fee.
 - Make sure the school offers the programs you want and might be interested in if you are undecided.
- Schedule some college visitations in October, November, December to see firsthand the culture and environment of your potential school.

RUC2G?

College Tip

Selecting the right college is essential to your future. Keep an open mind when it comes to college selection and compare costs of attending and other factors (housing, transportation, cost of living, financial aid packages) when making your decision.

College Night: Financial Aid Night **October 12, 2016** **5:30pm-7:30pm**

Senior students and parents please join us at the high school on the 12th to learn about financial aid information (scholarships, loans, FAFSA, opportunities) and about in-state and some out of state schools your student can attend. Even if you are thinking of going to an out of state university or are undecided, please attend to learn about the financial aid process, timelines, and the steps needed to start you on a path toward a degree.
