Parent/Guardian hereby agrees to:

1. Emphasize academic excellence at all times, encouraging and helping their child to be successful with daily homework assignments and test preparation.
2. Recognize that children must attend school regularly, be on time each morning, and stay until school is dismissed each day.
3. Volunteer a minimum of 30 minutes each week in a capacity that supports their child's teacher(s) and/or school, whether in or out of the classroom.
4. Be actively involved with the school discipline plan. Parents will support the school by helping their child understand, respect and follow the school rules and bus rules, as outlined in the student handbook. Parents will work together with the school principal when there is a discipline problem and will support our ultimate goal for all students to learn in an environment that is safe, respectful and conducive to learning.
5. Respect the cell phone guidelines as established by each school. Electronic communication devices are a necessary part of life, however, they are a significant distraction at school. Parents agree to contact the school office (not their child's cell phone) if they need to contact their child during the school day.
