Dear Families,

This next week, we will have no weekly story or spelling words due to the holiday break. Instead, for ELA, students will incorporate our learning standards into fun, fall activities, such as in reading stations and a friendly thank you letter.

Our word of the week is:

t h a n k f u l

In math, students will continue to practice our math standards in a fall themed project. Our fourth graders will plan and budget for a dinner with family.

IMPORTANT DATES:

- November 21st: Turkey Trot
- November 22-26: Fall Break (No School)
- December 2nd: Reindeer Run
