## HELP

Our class needs donations of healthy snacks for testing.

We are in need of water bottles.

Students will not have homework over the next 3 weeks due to testing and Spring Break. Please have your students review concepts by logging onto Study Island and reviewing all their science study folders. During testing, please try and make sure your student arrives at school on time, well rested, and well fed. Donations of healthy snacks would be greatly appreciated for those students who don't have anything .

The Book-It reading program ends March 31. Please make sure to sign and turn in the March calendar as soon as possible.

Watch for information about the Mad Scientist Day!!!
