## Mrs. Osterman's Classroom Newsletter

### Apple Adventures

This week we will be learning all about the lifecycle of an apple. We will read several stories about apples and complete multiple activities.

At the end of our apple adventure we will taste test different apples to see what we like best.

In reading we will be working on comprehension, characters, and sequencing the events of a story.

### Homework

Reading folders will be coming home this week. We will supply the reading book and the log. Please have your child read the story first.

Your student will have sight words to practice nightly. We will be working on these before we start our spelling tests.
