AzMERIT Results

CONGRATULATIONS to all of our students and staff on the results of their 2016-2017 AzMERIT test results. **We had the highest scores in Kingman of all the middle schools, and scored higher than the average for Mohave County and the State of Arizona. Our final school rating was a "B" from the State of Arizona.**

It is an honor to have your children here at our school and we want to thank you for your continued trust and support of our school.

Cruisin' with the Coyotes

We are having our Inaugural Coyote Car Show on October 28th. It will be held in the parking lot of our high school and will take place at the same time as the Fall Marketplace at our primary school. Please join us between 10:00 AM and 2:00 PM to look at some of the coolest cars that cruise the streets of Kingman! The event is free and everyone is welcome.

If you are available to volunteer for a few hours on that Saturday, we are in need of several volunteers to help make the event a success.

Parent Teacher Conferences

Parent Teacher Conferences are being held at the end of the 1st quarter this year. You will meet with your student's homeroom teacher for your conference. Teachers will send home a schedule of times that are available for conferences for you to sign up to meet with them. These conferences are led by the students, so please make sure your child is with you for the conference.

Report cards will be sent home with you at the end of your conference. They are not being sent home with students.
