

VOLUNTEERS

Kingman Academy of Learning Middle School
2011-2012

Because positive role models and the presence of caring adults are so important to children's growth, we are always looking for adult volunteers to help in the classroom.

If you have some extra time and desire, your help will be greatly appreciated.

Please check the items below that interest you.

- Help keep a watchful eye on students before/after school, in the lunch room/ park duty
- For the safety of our children, keep a watchful eye on students at the bus stop.
- Help in computer lab, library, exploratory classes
- Prepare teaching materials (copy, collate, staple, cut, paste, laminate, sharpen pencils, etc.)
- Help with special projects (art, music, plays, science, etc.)
- Assist with P.E.
- General assistance in the classroom
- Create office and/or classroom displays, bulletin boards
- Guest Speaker (Share with students your experiences with a historical event or describe your profession. Share an inside view of a special local event which could offer an educational opportunity.)
- Help students who need assistance in completing or catching up with remedial reading, basic math, algebra and reading
