

Kingman Academy Middle School is pleased to share the following information with our parents and students:

Football conditioning practice (no pads) will be held on August 11, 12, 13, and 14 at the Middle School gymnasium from 4:00-6:00 p.m. Students in grades 6, 7, and 8 may participate in these preliminary practices. Students will be required to have a school sports physical and provide proof of insurance by August 11. If you need a physical form, they are available in the Middle School office. Students should bring a white t-shirt with their name written on the back with permanent marker for these practice sessions.

Our 'pay to play' fees for this year will be only \$75 for the season. Following final tryouts, students who are selected for the team will be required to pay this fee prior to receiving their team equipment.

More exciting news!

KAMS is proud to continue our after-school instrumental music program, under the direction of Mrs. Gail Fruhling (Fruhling School of Music) who is a master teacher and professional musician. There will be a fee for the music sessions each semester, and classes will be limited to 15 students so get your request submitted as soon as possible.

Detailed information will be available at Meet the Teacher on August 6. Registration forms are available in the Middle School office or you may go directly to the website at <https://fruhlingschoolofmusic.musicteachershelper.com>.
