

# Classroom Times

## Items Needed:

### Weekly Assignments

#### Thursday 4/5:

- Read the story: *The Ugly Vegetables*, pg. 211-231.
- Complete the attached questions about the story using complete sentences.
- Math side B of lesson 130

#### Monday 4/9:

- Math side B of lesson 131
- Read towards your 2,222 minute goal. Review the vocabulary words for tomorrow's comprehension test.

#### Tuesday 4/10:

- Math side B of lesson 132
- Keep reading!

#### Wednesday 4/11:

- Math side B of lesson 133
- Review the spelling words for tomorrow's spelling test.

### Skills for the Week

- Closed syllables
- Sequence of events
  - Homophones
  - Pronouns
- Measure using metric units
- Make and use a multiplication table
- Divide a set of objects into equal groups
  - Earth activities

Water Bottles

Skinny Expo markers

Clorox wipes

### **Important Information**

#### **\* Spring Break will be April 16th-19th.**

- Students will continue to take the weekly comprehension test related to the story on Tuesdays.
  - The spelling test along with the selection test, assessing the language arts skills taught in class, will continue to be given on Thursdays.
- Students must finish reading their 2,222 minutes if they have not done so already. We want all of our second graders to earn their special T-shirt.
- Galileo testing will be held May 7th-10th. It is very important for your child to attend school and to do their best. We would like parents to donate healthy snacks during testing week. This is a great way to get some volunteer time.
