Looking Ahead

Saturday,

October 28th

9:00—3:00

Is our Fall Marketplace

Fundraiser at KAOL Primary School

A special Thank you to all of the Grandparents And Guests who joined us last Thursday in Preschool!

We had a "GREAT" time!

Look What We're Learning

We will be working with the letter "Ii" this week! "I" is a vowel that says two sounds: Long "I" is the sound you hear in words like "pie" and "ice cream". Short "i" is the sound you hear in words like "ick" and "it". We will practice listening for both sounds as we work with our letter of the week.

Our learning theme next week will be "Insects"!

Math Matters

Number six is the number of the week. We will practice counting and making sets of six. When we write a number six we say, "Roll a hoop and make a loop".

Marketplace

Parents, YOU are the reason our school is an extra special place to be!
We are looking forward to seeing you at the Marketplace on October 28th!

Preparing for the Holidays

As we approach the holiday season, we will be busy in Preschool with many special projects. This is such a magical time of year and we are excited to share the magic with you!

We will be making special tee shirts to wear at each of our holiday performances. If you have not supplied your child's teacher with two white tee shirts yet, we ask that you do that next week. We will be using these to make a special keepsake for you and your child.
